Face to face

Over the phone

Via social media , e mail, websites or subscribing to our mailing list

Referrals from agencies with your consent

What we do with your data and why

Your information will be recorded on databases which allow us to deliver agreed outcomes and ensure you get the most out of our services. Any of the organisations or agencies signed up to the Dorset Information Sharing Centre (DISC) may also use your information for that purpose. Data may be held in both paper form and on computer to assist us during and after your involvement with our services in accordance with the Data Protection Act 2018. You may access data held by us about you by giving notice at any time during your involvement with the programme.
